## - input short bio of presenting author

The screenshot shows the 'Biography' step in a submission system. On the left is a vertical sidebar with steps 1 through 8. Step 5, 'Biography', is highlighted with a green dot. The main content area is titled 'Biography' and contains the instruction: 'Please include a short biography for the presenting author(s) below.' Below this, the name 'Jean-Francois de Marneffe imec v.z.w.' is entered. A rich text editor is visible with a toolbar containing icons for bold, italic, underline, list, link, math, and other formatting options. The text 'Jhkhjfhvhlah' is entered in the editor. At the bottom of the editor, it says '49 words remaining.' A 'Done' button with the text 'Go To The Next Step' is located at the bottom center.

## - Choose your field of expertise as topic

The screenshot shows the 'Topics' step in a submission system. The sidebar on the left highlights step 6, 'Topics'. The main content area is titled 'Topics' and contains the instruction: 'Please choose a maximum of two topics from the list below.' Below this is a list of topics, each with a checkbox and a label. The topics are: 'Nano/Micro Fabrication Methods and Processes', 'Sensors and Actuators', 'Life Science Applications', 'Inspection, characterization, measurements' (which is checked with a yellow checkmark), 'Vacuum Technology', 'Polytec/Konnexions workshop', and 'Other'. A 'Change This Topic Group' link is located to the right of the list. At the bottom, there is a note: 'If none of the topics suit your submission, please choose the nearest applicable topic or contact the chair for further advice.'
